MIKIE SHERRILL
GOVERNOR

June 4, 2026

Dear Friends,

On behalf of the State of New Jersey, it is my pleasure to recognize Project Literacy of Greater Bergen County for their immense contributions to promoting adult literacy and strengthening communities across the Garden State.

Founded in 1987 in Hackensack, Project Literacy supports literacy through its commitment to providing free one-to-one, structured literacy instruction for adults. Having served over 8,500 learners, the organization has been instrumental in the teaching of reading, writing, and speaking skills to adults across our State. Its two-fold mission of elevating public awareness of the issue of adult literacy and giving adults the foundation to progress is worthy of both recognition and admiration. Literacy is fundamental to positive learning outcomes, career opportunities, and the holistic well-being of all communities.

As Governor, I am inspired by Project Literacy's mission of recognizing the importance of literacy in lifelong learning, independence, and civic participation. Thank you for all your indispensable work across our communities and best wishes for continued success.

Sincerely,

Mikie Sherrill
Governor
